### COMBINED TRADES TOURNAMENT RULES

## **STATEMENT OF PURPOSE**

Our Fishing Rules have evolved internationally so that, in their observance every fish should have a sporting chance. Captures in which the fish has not fought, or in which the fish has not had the chance to fight, on the gaff rope or at the boat, are not caught within the intent of our rules and do not reflect credit on the fish or the angler. Only fish caught within the Whangarei Deep Sea Anglers' Club & NZSFC Angling Rules, incorporating the IGFA Equipment and Angling Regulations, and within the intent of these rules will be recognised. We, as the Committee of the Whangarei Deep Sea Anglers' Club, reserve the right to call a witness boat to verify a catch.

## **ELIGIBILITY**

**Anglers must be current financial members of the WDSAC or a club affiliated to the NZSFC.** A team may be comprised of any number of anglers but **if fishing from a boat there must be a minimum of 2 people on board.** If visiting anglers are not able to produce current membership cards, their membership will be checked through the secretary of their club. Failure to be a financial member of a club will result in disqualification from the contest. Team captains are responsible for this. **All fish are to be credited to WDSAC. ALL SKIPPERS MUST SIGN THE DISCLAIMER ATTACHED TO THE REGISTRATION FORM.**

**VHF channel 07 is a public channel – the use of this channel is a privilege and not a right. Any team who is found to abuse this privilege by the use of extended offensive language or behaviour will be disqualified from the tournament and entry fees will not be refunded.**

## **REGISTRATION & BRIEFING**

Registration for the contest must be done prior to leaving Tutukaka. Boats may fish in to this tournament. Boats may leave from the Tutukaka Harbour immediately after briefing.

**The Briefing will be held at the WDSAC clubrooms on Friday evening 24<sup>th</sup> JAN at 7:00pm. The Committee expect to see at least 1 representative from each team attend the Briefing.**

**It is the responsibility of each Captain / Skipper to ensure your team receives your Contest Starter Pack and fully understands the rules of the tournament. There are items designated to each day so please ensure you have picked these up from the office prior to the event.**

**CONTEST FEES** - The contest fees are \$100.00 per Senior Angler (\$30.00 per Junior angler) and must be paid prior to the commencement of fishing. Any alteration to teams listed on the entry forms must be notified and paid prior to the start of the day's fishing.

## **AREA TO BE FISHED**

Northern Boundary bearing North East of Cavalli Light, Southern Boundary Latitude 36° (Cavalli Islands in the north to Sail Rock/Simpson Rock in the south). All vessels must remain within VHF radio or cellphone contact with Tutukaka Gamebase at all times. Please observe all Marine Reserve Regulations.

## **FISHING TIMES**

**THIS IS A STAY AWAY TOURNAMENT – ANY BOAT MAY FISH INTO THIS TOURNAMENT & STAY AWAY SATURDAY.** You may stay away after stop fishing on the first day. Trailer boats may launch from anywhere inside the fishing boundary's. All Vessels must return to Tutukaka on the last day after stop fishing.

Baits or lures must not be in the water before **6.30am both days** when Start Fishing will be called. All baits, lures and game fishing gear must be out of the water no later than **6.00pm** on Saturday and **4.00pm** on Sunday, when stop fishing will be called. In case of hook-ups, the radio operator must be notified as soon as possible and your flag hoisted to half mast. **Hook ups must be called in to Tutukaka Gamebase before stop fishing - any fish called in after stop fishing will be disqualified.**

**PLEASE NOTE** if you have not caught or tagged a tournament fish during the day's fishing, you may fish back to Tutukaka after Stop Fishing, except on the last day of the contest, when baits and lures must be out of the water by 4.00pm unless a fish is being played.

## **SCORING**

The contest will be divided into eight sections: TEAM MOST POINTS OVERALL BILLFISH (*landed and tagged Marlin & Broadbill only*) – HEAVIEST BILLFISH *Marlin & Broadbill only* - TAG & RELEASE BILLFISH *Marlin & Broadbill only* – HEAVIEST YELLOWFIN, BIG EYE or BLUEFIN TUNA – HEAVIEST MAHIMAHI – HEAVIEST SHORTBILL SPEARFISH – HEAVIEST YELLOWTAIL – HEAVIEST SNAPPER.

Points will be awarded for landed gamefish on the basis of one point per kilo for fish weighed, regardless of line weight.

## **TAG & RELEASE**

Each Tag & Release Marlin & Broadbill will be awarded 120 points and the prizes for Tag & Release Marlin & broadbill are team prizes. When a fish is tagged, the tag card must be filled in and handed to the weighmaster with a completed catch sheet and the tag number recorded on the catch sheet. The Angler must also present the Rod, Reel and tackle with which the fish was caught. The weighmaster may also request to inspect the Tag Pole.

**ALL Tag & Release Marlin & Broadbill must be accompanied by photographic evidence and be presented to the Weighmaster. If sufficient photographic evidence is not provided, the fish will simply be disqualified. The decision made by the Contest Committee in this respect will be final and no further discussion or correspondence will be entered into.**

## **Photographic Evidence**

Your photo or video **must** capture **the tag in the fish**. When you call in your tagged fish the radio operator will advise you of **a clearance photo** – this will be a random photo that you need to take to present at the weighstation together with the tag in the fish photo.

It is essential that you call in your catch to Tutukaka Gamebase over the VHF just as soon as possible – this will be recorded as the time of capture (according to the tournament clock). Tutukaka Gamebase will be operating on VHF Channel 7 - If you are outside VHF and cell range and have tagged and released a Marlin you must photograph or record your vessel underway and fishing again as soon as practicable after releasing the fish and continue your attempts to reach Tutukaka Gamebase on VHF or cell.

The Contest Starter Pack will contain different coloured ribbons. During the Briefing and again over the VHF radio at start fishing, the colour for Day 1 will be announced. Your photo or video **must** capture **the tag in the fish and the coloured ribbon designated to that day**. It is recommended that the coloured ribbon is taped to your tag pole so that it's very easy to capture the Coloured ribbon and the Tag in the fish.

When calling in your tagged fish please give the radio operator the tag number. In the event of a **tie**, the winning team will be the team amassing their points first based on the time of capture as recorded by Tutukaka Gamebase (according to the tournament clock).

There is **no** Tag & Release section for any other species except Marlin & Broadbill

## **MINIMUM WEIGHTS**

TUNA 15kg

SHORTBILL SPEARFISH 10kg

MAHIMAHI 5kg

YELLOWTAIL 12kg

SNAPPER 5kg

## **WEIGH IN**

**On Saturday 25<sup>th</sup> fish may be weighed between the hours of 4:00pm to 7:00pm at the ITM Whangarei, Warkworth & Mangawhai Tutukaka Weigh Station.** There is NO requirement for a fish to be weighed or tag information to be presented at the weigh station the same day it is caught. All fish and tag information must be at the weigh station by the cut off time stated on the final day

**On Sunday 26<sup>th</sup> all catch sheets, including tag cards and contest fish must be at the ITM Whangarei, Warkworth & Mangawhai Tutukaka weighstation waiting to be weighed in by 5.30pm,** unless the fish is being played at Stop Fishing time. If a fish is still being played at Stop Fishing catch sheets, including tag cards and contest fish must be presented at the weighstation by 6:30pm to qualify for the tournament – no exceptions.

If the fish and/or tag cards are not at the weigh station by the specified times then the catch will not count for the tournament. Being within the 5 knot zone off Tutukaka Marina entrance constitutes being at the weigh station. However, we will also accept fish that are delivered to the weigh station at the roadside providing the fish is in the boat and the time limits for this tournament are observed.

All boats weighing fish, or presenting tag details, must call Tutukaka Gamebase when entering the harbour. All catches are to be weighed on the official scales at Tutukaka by an official weighperson/s designated by the WDSAC. Each angler must fill in a catch form declaring that the catch was made in accordance with the contest rules. **Catch sheets must be filled in before fish are presented at the scales.** All details must be CLEARLY entered and the form passed to the weigh master immediately on arrival at the Bradley Smoker Tutukaka weighstation. For all catches, including tagged fish, the angler must present the Rod, Reel and tackle with which the fish was caught. The Weighmaster may also request to inspect the Gaff and/or Tag Pole. **All fish are to be credited to WDSAC.**

## **RADIO ROUND UP**

A Round-up will be broadcast on VHF 07 at 3.00pm on Saturday and 2.00pm on Sunday. When answering sked calls you must give a grid map reference name (as supplied) and a result report of: number of strikes, hook-ups and successful catches (or T&R). PLEASE USE YOUR TEAM NUMBER AND BOAT NAME WHEN CALLING THE OFFICE, IT IS VERY IMPORTANT.

## **TACKLE**

All tackle must be in accordance with the WDSAC and IGFA Rules but line weight shall not exceed 60kg. In all matters not specifically covered, IGFA Equipment and Angling Regulations shall apply. WDSAC has adopted IGFA Equipment Regulation A 4, which specifies as follows: "The catch shall be classified under the breaking strain of the first five metres of line directly preceding the double line, leader or hook. This section must be comprised of a single, homogenous piece of line." In other words, the first five metres of main line determines the line class used. Any type of line, including those known collectively as "braids" may be used as backing, whether attached to the main line or simply used as padding under the main line. The minimum amount of line class top-shot is five metres but there is no maximum amount of top-shot that may be used.

## **BAD WEATHER**

In the event of unfavourable weather conditions, the Contest Committee reserves the right to cancel fishing for the day.

**PROTESTS** - Any protest concerning the validity of any catch shall be filed in writing and signed by the plaintiff no later than 7.00pm the same day (or no later than 6.00pm on the last day of the tournament). In the case of a protest the Contest Committee's decision is final and no correspondence will be entered into.
